Online claims submission

PSYCHOLOGICAL SERVICES AND SOCIAL WORK PROVIDERS USER GUIDE

—ONLINE CLAIMS SUBMISSION

Alberta Blue Cross® is pleased to offer online claims submission for psychology services and social work providers. This convenient service is delivered through an easy-to-use secure website and is available at no cost to health services providers across Alberta.

Online submission provides the convenience of direct billing for eligible services for your customers with coverage through Alberta Blue Cross group plans, individual plans and those with coverage through ASEBP. You are assured of prompt payment directly from Alberta Blue Cross, while retaining existing customers and gaining a competitive advantage over providers who may choose not to submit claims online.

When submitting claims online, this service will predetermine the patient's coverage and confirm

- the amount Alberta Blue Cross will pay to your office, and
- the amount you will need to collect from the patient.

Registering for site access

To register for online claims submission, you must complete the Request for Secure Web Site Access web. Details about completing this form can be accessed at ab.bluecross.ca.

The Provider Agreements and Administration team at Alberta Blue Cross will create your website access based on your completed registration form. To protect your security, a login ID and temporary password will be sent in two separate emails to the email address provided on your registration form. Once you have received both of these emails, you can begin serving your customers through online claims submission.

Getting started online

Please refer to the information in the emails Alberta Blue Cross sends you when your initial registration is approved. These emails will contain your login ID and temporary password. Navigate to the [Online Health Provider site](#) and enter the login ID and password.

You will be asked to agree to the Web Site Policy and Online Billing Agreement, update your banking information, set up your two reminder questions and change your temporary password. This information will be used to verify your identity if you forget your password or require information about your account. Subsequent sign-ins will only require your login ID and password.

Claiming online is quick, easy and secure!

After validating a patient's identity and predetermining results as confirmed by the patient, you simply submit the claim for processing. Within seconds of submission, results are displayed. The patient will be required to pay only the portion not covered under their benefit plan. The transaction is then complete.

A video tutorial of the Online Health Portal is available on our public website at ab.bluecross.ca.

EASY STEPS TO SUBMIT AND PROCESS A CLAIM

Steps for online submission

1. Enter the patient's information

Navigate to the "Enter claim" menu option and enter the patient's ID number and group number exactly as they appear on their Alberta Blue Cross or ASEBP ID card. Then ask the patient for their date of birth, enter the date and click the "Search" button.

Note

If you're submitting a claim for a returning patient, you can enter their last and first name to populate the ID number, group number and date of birth fields.

2. Verify whether the patient has Coordination of Benefits

Confirm if the patient has other active coverage and if payment has been made by another benefit carrier or provincial plan.

If "No": continue below.

If "Yes": continue to page 9.

3. Enter details

For an individual assessment or treatment, enter the service date, select the service, the number of hours and the total cost. Using the drop-down menu, select the practitioner who performed the service. If you have not previously added the practitioner details, you will need to add them into the system (See 3b)

Note

For group therapy, use the same guidelines as above.

3a. For a family assessment or treatment, enter the service date, number of hours and the total cost, and select the service. You must select all attending participants from the "Patient name" listing.

Note

There may be some circumstances when a claim cannot be processed electronically.

You will receive a notification on this screen and these claims will have to be submitted manually by the patient to Alberta Blue Cross.

The screenshot shows the 'Claim details' form for a 'Psychology - Family Assessment' service. The service date is 2018-05-18. The form includes a 'Number of hours' field, a 'Patient Name' list with checkboxes for Smith, John; Smith, Jane; Smith, Jennie; and Smith, Sarah. There is a 'Total cost (\$)' field and a 'Practitioner' dropdown menu. A note states: 'If this claim is for a Family Assessment/Treatment, select the corresponding check box for each family member who attended the session. Enter the total hours and cost of the session and the system will equally divide the cost between each participating family member.' Buttons for 'Add claim', 'Cancel', and 'Predetermine' are visible at the bottom.

3b. Enter practitioner details

To add a practitioner to the practitioner system, click "Add practitioner". A new window will pop up asking for practitioner information. Enter the details as required and click "OK". The system will validate the practitioner in real time.

Note

Before adding a practitioner to your drop down menu, you must first submit the [Request to add a practitioner to your account for online direct billing](#).

The screenshot shows the 'Add your practitioner' form with the Alberta Blue Cross logo. It includes a 'General Information' section with fields for 'First name', '*Last name' (with a note '*Include last name only'), and '*Association/College number'. A section for '*Required fields' is also present. 'Cancel' and 'OK' buttons are at the bottom.

Note

If you add a practitioner who is not eligible to perform a service on the service date, the error message "Practitioner is not eligible on the date of service" will appear. At this point you will be unable to proceed entering claim details.

The screenshot shows the 'Enter claim' form with an error message: 'The provider was not valid on the date the service was provided. Please contact an Alberta Blue Cross representative at (700)-490-0003 (Edmonton & areas), toll-free in other areas of Canada 1-800-500-1195'. Below the error is a 'Patient information' table:

Name	Smith, John
ID number	78011222-11
Group number	99

The form also shows 'Claim type' as 'Psychology' and 'Claim details' for a 'Psychology - Individual Treatment' service on 2018-05-24 with 1 hour and a total cost of 100. Buttons for 'Add claim', 'Cancel', and 'Predetermine' are at the bottom.

3c. Enter details

Once the added practitioner is validated, you will be taken back to the "Enter details" screen. The added provider will now be selectable using the drop-down menu. Enter the claim details as required and click "Add claim". If you have more claims to enter, continue entering them and verify details as they appear in the claim details table. Once complete, click "Predetermine".

Note
If you are entering a claim for a family assessment or treatment, you will be required to add the claim information for each family member.

STEPS FOR ONLINE SUBMISSION WITH COORDINATION OF BENEFITS BETWEEN ALBERTA BLUE CROSS AND ANOTHER BENEFIT CARRIER

1. Patient has Coordination of Benefits

Click "Yes" if a portion of this claim has already been paid by another benefit carrier and if you would like to submit the remaining amount to this plan.

The screenshot shows the 'Enter claim' page for 'Coordination of Benefits Information'. At the top, there is a navigation bar with 'Overview', 'Enter claim', 'Reports', 'Resources', and 'Your profile'. Below this is a patient information box with the following details: Name: Smith, John; ID number: 780111222-11; Group number: 99. The 'COB information' section contains two questions: 'Is the patient entitled to receive comparable benefits from any other insurance company, health benefits company or Alberta Blue Cross Plan?' and 'If the claim was submitted through another benefit carrier or provincial plan, would you like to submit the remaining amount to this plan?'. Both questions have radio buttons for 'Yes' and 'No', with the 'Yes' option selected in both. A red circle highlights the 'Yes' radio buttons, and a red arrow points from the text in step 1 to this circle. At the bottom, there are 'Cancel' and 'Next' buttons.

2. Enter the amount paid

Enter the amount paid by the other benefit carrier for each claim line. If payments have been made by two or more other benefit carriers, combine the amount paid and enter one total for each claim line.

Enter details

Select a service and enter the total cost. Using the drop-down menu, select the practitioner who performed the service. If you have not previously added the practitioner details, you will need to add them into the system.

Individual

The screenshot shows the 'Enter claim' page for 'Enter details'. It features the same navigation bar as the previous page. The patient information box is identical. The 'Claim type' section shows 'Provider of service' as 'Psychology'. The 'Claim details' section includes: 'Service date (YYYY-MM-DD)' as 2016-05-24; 'Service' as 'Psychology - Individual Assessment'; 'Number of hours' as 1; 'Total cost (\$)' as 100; and 'Other plans paid (\$)' as 50. A red circle highlights the 'Practitioner' dropdown menu, which is currently set to 'Practitioner', and a red arrow points from the text in step 2 to this circle. To the right of the dropdown is a link that says 'Add Practitioner' and 'Practitioner Details'. At the bottom, there are 'Add claim', 'Cancel', and 'Predetermine' buttons.

2a. If entering a family assessment or treatment claim with coordination of benefits, the "Other plan paid" box will not appear. Instead, you will manually enter the amount paid by another benefit carrier for each family member.

If the amount paid by another benefit carrier is zero, you must enter "0" in the field.
