Small Bathing And Toileting Equipment

Bathing Equipment

Eligibility: Weight required for all benefits.

Only one toileting/bathing aid permitted per function. (e.g. may not have a raised toilet seat for one bathroom and a commode for beside the bed)

Cost: Clients are responsible for any charges above benchmark maximum price and for costs of repairs/maintenance.

Equipment Standards: minimum 3-year warranty on frame. Minimum weight capacity 250 lbs. unless otherwise indicated.

All equipment for use in the bathtub or shower must have non-skid rubber tips or suction feet on the legs.

AADL vendor to carry common maintenance parts (e.g. anti-slip tips)

Approved Manufacturers for small bathing equipment: AMG/Aquasense, Airway, Artisan, Ashby/NuVision, Carex, Compass, Drive DeVillbiss, HumanCare, Invacare/Healthcraft, Medline/Guardian, TFI, Probasics, WHM/Prima

Approved Manufacturers for complex bath seat: Rifton, Drive, R82/ETAC.
