Mattress Overlays, Transfer Aids and Accessories

Mattress Overlays – Pressure Redistribution

Eligibility: Clients must be at high risk of skin breakdown for E400, E411

Clients must have Stage II Pressure Ulcer (or history of) in the pelvic/hip/trunk region of the body to be eligible for E412, E413, E414, E415

Only one type of pressure redistribution surface permitted for use on bed (e.g. may not have a pressure relief mattress under L benefits and an overlay).

Include client's weight on authorization

Costs: Clients are responsible for any charges above benchmark maximum price. Vendors must offer at least one item at or below benchmark price.

Equipment Standards for AADL Mattress Overlays, Transfer Aids and Accessories:

Manufacturer must have an active representative in the province – available for consult.

Distribution of equipment is through AADL Approved Vendors with a facility maintained in Alberta.

Approved Manufacturers are listed for some types of equipment. If listed, only equipment from those manufacturers will be covered by AADL.

Approved Manufacturers of Mattress Overlays: AMG, HPU/Action, Drive/Med-Aire, Nuvision/Conform, Permobil/Roho, Star, Vitacare

Authorizers: If you know the specific make and model, add it to the vendor notes in the authorization on the Alberta Blue Cross Online Health Portal
