The following types of transaction are supported by Alberta Blue Cross:

- Claims and predeterminations transactions.
- Coordination of Benefits.

Alberta Blue Cross accepts diagnostic images using CDA SECURE SEND

If we require diagnostic records (this will include images and reports) this will be indicated on the electronic response or the explanation of benefits statement. Send these records [and a copy of the patient's explanation of benefits (EOB)] to ABCdentalimages@ab.bluecross.ca. When sending, please indicate the patient's full name and coverage number in the subject line. You will not be required to resubmit the claim or predetermination to Alberta Blue Cross. Alberta Blue Cross allows this process for both paper and electronic submissions of claims and predeterminations. To receive more information about CDA SECURE SEND please visit their website at www.cda-adc.ca/en/services/secure-send/ or call the Practice Support Services helpdesk at 1-866-788-1212 to get started.
