---

Pricing effective January 2022

### Pediatric Recycle Equipment

- Static Standing Frames..... APL K-1
- Mobile Standing Frames (Recycle Equipment) ..... APL K-4
- Walkers – Anterior/Posterior Gate Trainers (Recycle Equipment)..... APL K-5

## PEDIATRIC RECYCLE EQUIPMENT

**Pediatric recycle equipment will come through the recycle inventory first. AADL recycle equipment must be returned to the AADL Recycle Vendor when the client no longer requires it.**

**Eligibility:** Standing frames are provided to children who are wheelchair bound, allowing them to participate in an alternate position. Standing frames' quantity and frequency limit is one every four years. However, a frame may be replaced early when there is a change in condition. See Policy Manual-K: Pediatric Equipment for further information.

**Authorizers:** Inquire with the Recycle Vendor first to search the recycle inventory. Authorization type will be for either “recycle” or “new” equipment. New equipment can only be ordered after the recycle inventory has been searched and authorizer has received a written confirmation that there is no suitable equipment available.

Authorizers must upload the AADL Assessment Summary for Pediatric Standing Frame Benefits form to Alberta Blue Cross online health portal to confirm client eligibility for funding assistance from AADL. **Notify the vendor when the authorization is submitted and approved as the vendor is no longer notified automatically.** Authorizations are not vendor specific.

**Cost:** Clients are responsible for any charges above the AADL price maximum. Clients are responsible for options not listed or options over quantity provided by AADL. Prices include vendor discount per contract with AADL.

**Equipment Standards for AADL Large Pediatric Recycle Equipment:**

- Manufacturers must have an active representative in the province – available for consult.
- Distribution of equipment is through AADL-approved vendors with a facility maintained in Alberta.
- Minimum three-year warranty.

### MOBILE STANDING FRAMES (Recycle Equipment)

**AADL recycle equipment must be returned to an AADL Recycle Vendor when the client no longer requires it.**

**Eligibility:** Mobile Standers are provided to children who are seven years and older, who are wheelchair bound, allowing them to participate in an alternate position. Clients may be funded for either a mobile stander or walker. Mobile standing frames are considered dual function.

Standing frames' quantity and frequency limit is one every four years. Standing frames may be replaced early when there is a change in condition. See Policy Manual-K: Pediatric Equipment for further information.

**Authorizers:** Inquire with the Recycle Vendor first to search the recycle inventory. Authorization type will be for either "recycle" or "new" equipment. New equipment can only be ordered after the recycle inventory has been searched and authorizer has received a written confirmation that there is no suitable equipment available.

Authorizers must upload the AADL Assessment Summary for Pediatric Standing Frame Benefits form to Alberta Blue Cross online health portal to confirm client eligibility for funding assistance from AADL. **Notify the vendor when the authorization is submitted and approved as the vendor is no longer notified automatically.** Authorizations are not vendor specific.

**Cost:** Clients are responsible for any charges above the AADL price maximum. Clients are responsible for options not listed or options over quantity provided by AADL. Prices include vendor discount per contract with AADL.
