## Registering for site access

To register for online authorization submission, you must complete the Request for Secure Web Site Access web form. Details about completing this form can be accessed through our public website at [ab.bluecross.ca](https://ab.bluecross.ca).

The Provider Services AADL team at Alberta Blue Cross will create your website access based on your completed registration form. To protect your security, a login ID and temporary password will be sent in two separate emails to the email address provided on your registration form. Once you have received both emails, you can begin serving your patients through online authorization submissions.

## Getting started online

Please refer to the information in the emails Alberta Blue Cross sends you when your initial registration is approved. These emails contain your login ID and temporary password. Navigate to the Alberta Blue Cross AADL website at [provider.ab.bluecross.ca/health](https://provider.ab.bluecross.ca/health) and enter the login ID and password in the applicable fields.

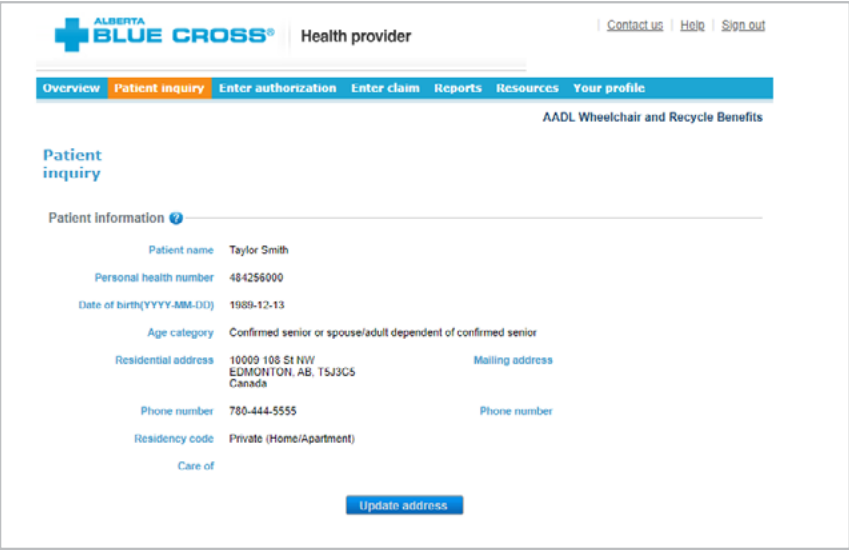

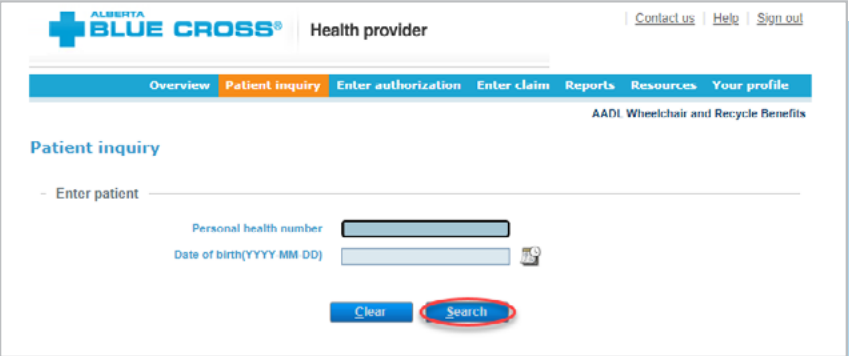

You will be asked to agree to the Web Site Policy and Online Billing Agreement, set up your two reminder questions and change your temporary password. This information will be used to verify your identity if you forget your password or require information about your account. Subsequent sign-ins will only require your login ID and password.
