

Pharmacy-based Asymptomatic COVID-19 Testing Program

Program Enrollment Checklist

- Enrollment in the pharmacy-based asymptomatic COVID-19 testing program (Program) is done at the level of the pharmacist who will be physically conducting the assessment and throat swab sample collection.
 - Enrollment is NOT done for a pharmacy, but rather each pharmacist participating in the Program
- Every pharmacist considering enrollment in the Program must read the Pharmacy-based Asymptomatic COVID-19 Testing Program Document to fully understand the Program requirements and the roles and responsibilities of the pharmacist.

PHARMACIST INFORMATION	
Pharmacist Name:	
Pharmacy Name and Address:	
Telephone and Fax Number:	
Laboratory Practice ID (PRAC-ID):	

CHECKLIST ITEM	NOTES
<input type="checkbox"/> Access the Program documentation on the Alberta Blue Cross website under the Pharmacy Provider section.	https://www.ab.bluecross.ca/providers/pharmacy-resources.php
<input type="checkbox"/> Confirm the pharmacist unique Laboratory Practice ID Number (PRAC-ID) (9 digit format) NOTE: enrollment forms submitted without a valid PRAC-ID will NOT be processed for this Program.	<p>If a pharmacist has misplaced their PRAC ID, contact the Practitioner Registry team within Alberta Health to retrieve the number. Please email Health.Pracforms@gov.ab.ca. using "PhC COVID asymptomatic testing" in the subject line when requesting.</p> <p>Pharmacists who require registration for a new PRAC ID must submit a completed registration form to the Provider Relationship and Claims Unit at Alberta Health. https://cfr.forms.gov.ab.ca/form/AHC11234.pdf</p>
<input type="checkbox"/> Read through the Alberta Precision Labs (APL) Pharmacy Package to understand the enrollment process to obtain credentials and results reporting requirements.	
<input type="checkbox"/> Complete the Healthcare Provider Information Form and the Specimen Collection Kit Order Form included in the APL Package and fax to APL as indicated on the form.	
<input type="checkbox"/> Enrollment forms will be processed on a first in, first out basis. APL will send a confirmation of enrollment to the pharmacist via the fax number provided indicating that the Provincial Laboratory system has completed the credentials for the Program and assigned a Millenium ID for COVID testing specific to the practice site of the pharmacist. (approximately 5-7 business days)	
<input type="checkbox"/> Alberta Blue Cross will add any new pharmacies enrolled to the asymptomatic testing program to the public listing on the website with their weekly update.
