Emergency drug coverage for evacuated Fort McMurray, Alberta residents

Due to the fire in Fort McMurray, Alberta, many residents will be seeking temporary pharmacy services from pharmacies across Alberta. Alberta Blue Cross understands that a variety of situations may arise when plan members are unable to provide pharmacy providers with their ID card information. In such instances, we are available to assist pharmacy providers with confirmation of plan member and benefit eligibility. Please contact your Alberta Blue Cross Pharmacy Representatives for assistance at the following numbers:

780-498-8370 (Edmonton and area)

403-294-4041 (Calgary and area)

1-800-361-9632 (toll free)

While standard claim adjudication edits continue to be applied, Alberta Blue Cross will allow Early Refills if the member was impacted by the evacuation. **Please contact the Alberta Blue Cross Pharmacy Representative to obtain the Early Refill authorization.** Alberta Blue Cross is here to support you and your customers during this difficult time and will make every effort to ensure uninterrupted access to eligible drug benefits for all Alberta Blue Cross plan members.

Note that emergency drug coverage also applies to all members of the Alberta School Employee Benefit Plan (ASEBP) and the Alberta Retired Teachers' Association (ARTA). Please follow the same process as above for members of those plans affected by the fires in Fort McMurray.

For information pertaining to Standards of Practice for prescribing in an emergency, please refer to the Alberta College of Pharmacists communication sent out May 3, 2016.
